APPLICANTS' STATEMENT OF SUBSTANCE OF INTERVIEW

Sir:

The Applicants wish to thank Examiner Raghu for the courtesies extended during the telephone interview that was held on December 15, 2008.

The Applicants confirm that the substance of the interview is accurately reflected in the Interview Summary dated December 17, 2008 with one correction. Applicant indicated that they would amend the claims to recite "at least the N-terminal domain and hydrophobic domain" and not "amino terminus, central hydrophobic region and carboxy terminus" as suggested by the Examiner in the Interview Summary. The Commissioner is hereby authorized to charge any fee which may be required to our Deposit Account No. 02-2095.

Respectfully submitted,
